Principal's Message

For twenty-six years students at Bonnie Doon have taken advantage of the many interesting and valuable academic, athletic and cultural programs available. Their successes academically, and indeed in their various vocations speak well of the quality of learning that they experienced at Bonnie Doon. These successes emanating from an exciting instructional environment have put the school in the forefront as a major centre of learning. It is my belief that this tradition is alive and well, and the students and staff today are maintaining this important reputation, as the students of today seek and are assisted in their search for adulthood.

In spite of the changes in the technological work place and society, the road to adulthood has not altered significantly. Maturity is a result of growth and development through the educational processes, which allow young people to bridge the gap between adolescence and adulthood. Since education is the source of all progress, it is my belief that the young people at Bonnie Doon are in a most enviable position. The programs and the support given the students in their search for maturity will have prepared them well to deal with the changing character of a technological society.

The students appearing on the pages of this Yearbook have the capacity for independent thought and action, the courage to live with their convictions, yet they possess the maturity to respect and tolerate the rights,

interests and beliefs of others.

While these students will have added greatly to the quality of student life and the character of Bonnie Doon, I feel certain that they will also carry a renewed hope and character into the society which they must surely change through the strength of their convictions.

Student Activities

The Bonnie Doon SKI CLUB was one of the most active clubs in the school. The emphasis was on downhill Alpine skiing. The SKI CLUB had great times skiing at Sunshine Village, Marmot Basin, Lake Louise and Big White. Approximately 100 students are members of the club - but of course - not everyone goes on every trip. Staff supervisors accompany the students. Students pay a group rate which includes transportation, accommodation and lift tickets. About 4 trips are planned each winter and spring.

This year the CYCLING CLUB was the birth of yet another group activity. The students experienced tour cycling and the enjoyment of seeing the countryside through overnight trips. The members cycled to Elk Island Park in the fall and planned to cycle to Banff and Jasper in the spring. Repair sessions on how to fix their own bike were also planned for. Hopefully, from the positive feedback they received from the trips this year - they can look at bigger ones next year.

The aim of the KARATE CLUB was to promote physical fitness while learning self-defence and gaining belt ranking. The meetings were held every Monday, Wednesday and Friday after school. This year the hydra-gym was incorporated into the program, which has raised the fitness level and helped the students move faster through belt promotions. There were approximately 15 steady members. The number of girls participating is increasing - there were 4 in the club this year.

The 1983 CHEERLEADING SQUAD has been a great help in getting people out to cheer for our Lancers. As well as Bonnie Doon, the Oak Park Raiders from Winnipeg were lucky recipients of their enthusiasm during a tournament at Victoria Composite.

The SWIM CLUB was created for the enjoyment of its members. Most members spent a leisure hour in the pool but some opted for the training techniques provided by Glen. Though no official meets were held goals were set for faster times by individuals. The club met every day after school except Wednesdays.

Radio Bonnie Doon has provided musical enjoyment for the many students who frequent the hallways during the lunch hour. They also donated their time and energy to Students' Union soc hops.

The CHESS CLUB challenged its approximately 10 members to a test of skill and intelligence every Monday during the noon-hour. In the future, the members hope to conduct tournaments at a school-wide level and to attract more members. Instruction in the game is available.

STANDING: Abhay Shah, Neil Morrison, Mrs. T. Arnold, Sponsor; Wayne Zeke, Stephen Lai.

The COMPUTER CLUB was an informal group that met sometimes at lunch hour and after school on Wednesdays. The purpose of the club was to give students studying computers extra time to work on class projects as well as time to discover new applications of the computer.

Tien Huynh, Abhay Shah, Thuan Ha, Kanwardeep Nijjer, Lakhvinder Viridi, Minh Duong, Lu Huang, Phuc Le, Hoa La.

Students that participated in the TABLE TENNIS CLUB not only enjoyed themselves while playing but enhanced their eye-hand coordination. The Table Tennis Club tries to promote friendship and interaction between students. The club also encourages practices to improve the students' games for tournaments.

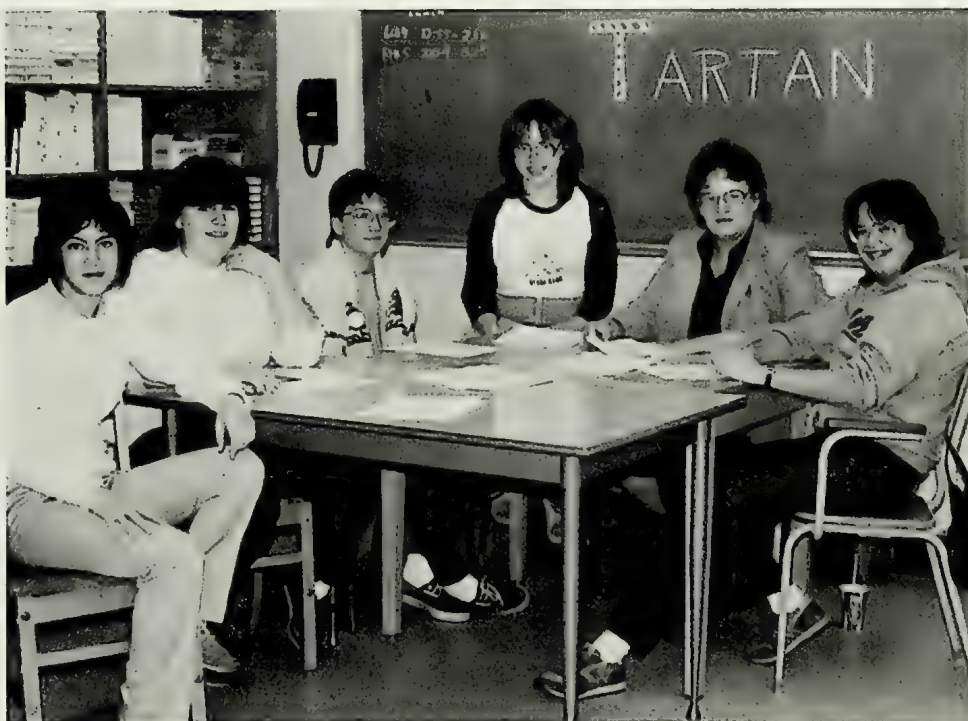

The purpose of the FRENCH CLUB was to get together and speak the language. Through group activities and events the club found a better understanding of the unique French culture.

The overall purpose of the KOINONIA CLUB was to study the Bible and have Christian fellowship. This year the studies concentrated on the lives of some of the important people in the Old and New Testaments. Members sponsor many activities during the school year. Two in particular are the collection of non-perishable food for the Food Bank and a Penny Drive with proceeds going to the Youth Emergency Shelter.

CAMPUS LIFE ...

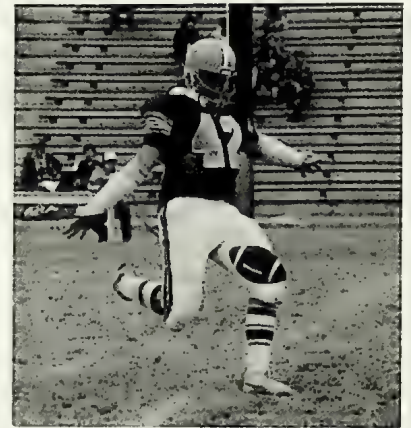

- * for anyone and everyone,
- * fun and crazy times,
- * a breakaway to California,
- * a hayride, a burgerbash, a banana split, summer trips.

Most important though, Campus Life is friends, support, and guidance in values and principles that help make life complete and fulfilled.

Perseverance ...

This season was a rebuilding year as the Lancers did not have a Senior team last year. The squad lost the first five games, but coaches noticed steady improvement and all said that there was no lack of effort.

The Lancers won two of the last four games and were narrowly defeated in the City Finals in a hard-hitting and exciting contest.

... and Unity

The record for the Junior Lancers stood at 4 wins and 2 losses. During the course of the season, they scored 126 points against opposing teams. They were third best in the Premier Conference. This team had 37 hard-working players. The coaches were very proud of the improvement, commitment and attitude of the team. During their last play-off game, they only lost by 3 points.

Fairly Even Win-Loss

This year the Junior Girls' Volleyball Team played in two tournaments and about 20 league matches. The girls finished with a fairly even win-loss record in the City Conference division. Throughout the season, the girls learned a lot, improved their skills and had an enjoyable time playing.

Qualifying Efforts

The Senior Girls' Volleyball Team competed in five weekend tournaments this year. Unfortunately they did not win any, however, they never missed qualifying for play-offs. Injuries to a few of the players had a serious effect on the final standing. The girls lost in the quarter finals of the City Conference play-offs.

The 1983 edition of the SENIOR BOYS' Team entered the medal round of every competition it entered, but came away with only two gold medals. These were the prestigious Harry Ainlay T.V.T. defeating the Bishop Grandin Ghosts of Calgary, and the City Championship, defeating none other than the Harry Ainlay Titans. But, other than these, there was nothing but a cloudburst of silver medals. Lastly though, and a heartbreaker, the Lancers dropped the Provincial Championship 2-1 to the Bishop Grandin Ghosts.

Once again the JUNIOR BOYS turn-out for the try-outs was of such high quality and so large in numbers that two separate teams were formed. Hence, teams were organized by grades.

The B.D. II Team (Grade 10) had a very successful season considering they competed against teams composed mainly of Grade 11 players. They placed fourth in the Premier Conference. In the play-offs, lost a closely contested match to Queen Elizabeth.

The B.D. I Team (Grade 11) was the first Bonnie Doon Junior Team in the last 7 years to complete a season in the Premier Conference divisional play to win all of their matches and placed first in the Premier Conference. In the City finals, they easily defeated their opposition in the quarter and semi-finals but lost out to their arch rivals, Harry Ainlay in the finals. In tournament play the B.D. I Team was undefeated.

Rebuilding Year

This year was a rebuilding year for the Junior Boys' Basketball Team. Having won the City last year, many of the seasoned players advanced to the Seniors. There was only one returnee this year and the majority of the ranks were filled by Grade 10's. With the experience attained this year, the team should prove to be a strong force in the 1984-85 school year.

BACK ROW: Mr. T. Ross, Coach; Duane Taylor, Troy Marchak, Todd Broadbent, Mike Lundquist, Haripaul Pannu, Carl McLeod, Mr. K. Luchkow, Coach.
FRONT ROW: Dave Stachniak, Carey Grenke, Jeff Rawlings.

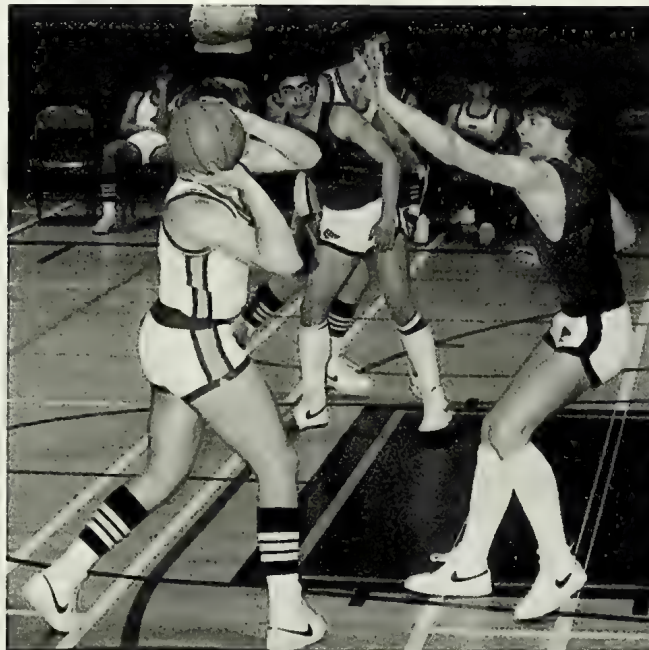

Prestige

The Senior Lancers were very competitive in every game they played and offered good entertainment for the spectators. One of the highlights of the season was the Lancers' involvement in three of the most prestigious tournaments in Western Canada. Cardston, Alberta, Bishop Carrol in Calgary, and Saskatoon. The team fared well in each, proving that they were a solid ball team worthy of recognition.

Mr. L. Lerbekmo, Coach; Steve Barnes, Norbert Janke, Steven Wood, Mark Lotz, Karsten Kelm, Doug Beaudry, Ed Gillis, Danny Beaton, Mr. E. Lotz, Coach.
MISSING: John Bilawey, Slade McCormick, Ted Davies.

Dedication

The Junior Girls' Basketball Team was a group of individuals who worked hard and developed as a team over the course of the year. As the season progressed, the individual skills improved as well as team performance. By the end of the year, the improvement was very noticeable due to the dedication and hard work of the athletes. They participated in the Annual Drayton Valley Tournament and won first place.

Success!

The Senior Girls' Basketball Team had a very successful season. Not only did they manage to beat some of the top teams, they also placed second in a Drayton Valley Tournament. Their real accomplishments were team spirit, team improvement, reaching their many goals and making new friends. Many thanks to the coaches Pat Kehoe and Shannon Schurrman for all their support and encouragement.

Smashing Sports

The Badminton Team had a very successful year competing against other schools in Edmonton. The girls that came out were the heart and soul of the club, because without them, the club would have been in sorry straits.

There is also noon-hour recreational Badminton which provides the opportunity for all students to play.

Bonnie Doon entered a large Girls' Handball Team in the Pre-Alberta Winter Games Team Handball Tournament that occurred in the late fall. The girls moulded together well to make a very fine team, finishing third over all.

FRONT ROW: Dorota Kaczynski, Carla Henderson.

This year, the Girls' Field Hockey Team had a record of one win, one loss, and four ties resulting in a third place finish. Since the beginning of the season, the team has developed their skills both offensively and defensively. Credit goes to Miss Holder who coached the team to near perfection. Selling chocolates and working dances were only a few of the team's activities.

BACK ROW: Gary Kosh, Dwayne Myrmo, Sherri Mohr, Laurie Smith, Venus Olson, Bonnie Harrod, Mr. J. Doty.

FRONT ROW: Mark Miller, Marv Kwan, Darryl Rosell, Tim Dopking, Chris Miller, Wayne Steinke.

The Curling that took place in Bonnie Doon was an interschool sport. The Team curled every Monday after school from November to February. The team participated in the city playdowns in February to qualify for the provincials that began in March.

Just for Kicks

The ole soft shoe.

The season proved to be the most successful that the Senior Soccer Team has had in recent years. They had a strong, well-balanced team with a very positive attitude. They began by taking the fourth place trophy in the U of A pre-season tournament and followed that with a 7-31 record in the divisional play, resulting in a third place finish and a berth in the Premier Conference play-offs.

The Junior Boys' Soccer Team was a talented team but was plagued by bad luck. Because of the many absentees they had to depend on their subs. The team was composed mainly of Grade 10's who intend to use their experiences gained from this year as a basis for providing their opponents with a strong competition next season.

On your mark ...

The start of another goal?

Boot that ball!

This year might be considered a rebuilding year for Lancer Rugby, because the team was long on desire but short on experience. The season began with an exhibition win, and ended with a 26-0 win over McNally. The games in between did not grant the Lancers any wins.

Head-Banging Effort

President's Message

As I look back upon the past year at Bonnie Doon, many warm memories of fun, smiles and laughter shared with friends and teachers come to mind. I would like to thank all the students for their participation, the Students' Union executive for all their help, friends who always lent a helping hand, and a special thanks to Mr. H. Ross.

Wherever we go, whatever we do, the days we've spent here shall always be special. I wish success to all the students of Bonnie Doon as they set forth to make their dreams come true.

Doing Your Own Thing

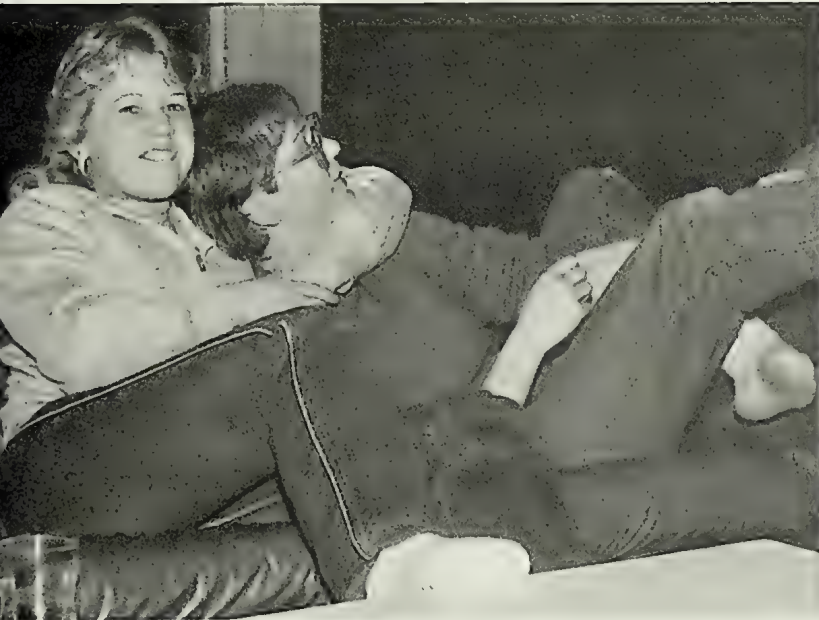

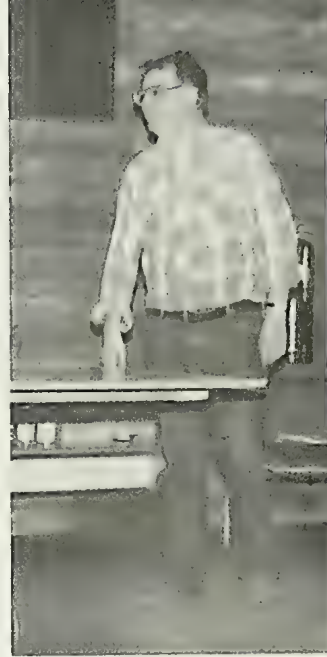

Great Memories and New Plans

On Wednesday morning, February 29th, 1984, nine students and three teacher supervisors met at the Edmonton International Airport, boarded a CP Air jet and flew to Victoria, B.C. At Victoria the group rented a 15 passenger van and travelled over highways and logging roads to reach Bamfield, a small fishing village which is the site of the Marine Biological Station. The research station is a mini-campus funded by the five Western Canadian Universities and at this time of year a few select schools are allowed to participate in their "Field Trip Program".

The marine setting of this facility makes possible a complete biological study of flora and fauna of the intertidal zone, the rain forest, and as well - the open ocean. The study trips taken by the students while at the station are educational, exciting and adventurous. The days were long, and the students "worked" from 8:30 a.m. till 10:00 p.m. each day enjoying the new experiences they were exposed to.

The group returned to Victoria March 4th, and spent a relaxing day exploring the fair city of Victoria. An evening jet took them home to Edmonton completing a wonderful trip. All in all the five days seemed to fly by leaving them with both great memories and new plans.

Still Alive and Well!

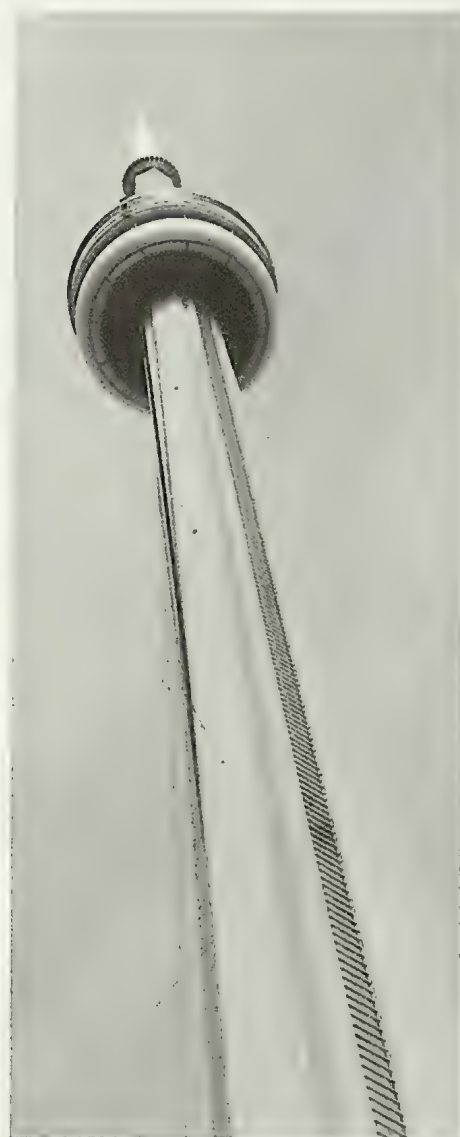

Both the Concert Band and the Stage Band have been quite active this year. With the first performance at the Opera House, they continued throughout the year performing at both the Canadian Stage Band Festival and the Kiwanis Music Festival. The Concert Band also handled the musical chores at both Grad and Award's. However, the highlight of all their musical activities was when they attended the Toronto International Music Festival.

They performed five times during this visit which lasted from May 5 to May 10. While there, they toured Ontario Place, Ontario Science Centre, CN Tower, Eaton's Centre, as well as a side trip to Niagara on the Lake and Niagara Falls. The musicians even had an opportunity to play in the largest concert ever assembled numbering over 700 bodies. The Toronto Festival itself presented a great opportunity for the students to see Ontario and meet other musicians from other parts of Canada and the United States.

Needless to say, the program is alive and well and is looking forward to next year's performances and travel.

The 13th annual Bonnie Doon Bridge Building Contest was a great success this year. Physics 30 students participated in this event to use their talents to create realistic and durable bridge designs. Each bridge was tested for its durability and load quotient. This year's winner was Peter Kempf. Peter won the "Handbook of Physics and Chemical Data" for his efforts.

On Monday evening, April 9th, Bonnie Doon Composite hosted a very successful OPEN HOUSE. In excess of 600 persons were in attendance. The evening was centered around a Scavenger-Hunt Tour in which parents, students, future students and alumni followed a tour sheet to various locations in the school where they were asked to observe, poke, probe, identify or put hands on specific items or phenomenon. Each department contributed at least one event. The E.S.L. and Modern Languages Department opened a CAFE INTERNATIONAL which served as an oasis, providing a menu of continental items in a lively and colorful atmosphere. The two door-prizes which were awarded at the end of the evening, provided the incentive for the evening's exertions. To all concerned it appeared that the evening was both enjoyable and informative.

1st Annual Spring Prom

The final dance of the year was a Spring Prom held on May 25. The band was "Subtle Hints". The Prom was semi-formal and it was nice to see all those ties and dresses dragged out of the back of the closets. It was a great way to end the school year.

Still Stands the House

This year Bonnie Doon was fortunate enough to get a Drama production started. It started off with auditions, then the posting of the cast list and finally, rehearsals began. The cast of seven girls put in a lot of hard work with rehearsals nearly every lunch hour. As the time got closer to the opening performance, nervousness was felt by all involved but everything went well. There were two performances which were very well attended by students, staff and parents.

Recognition

On the evening of June 14th, our Annual Awards Night was held to recognize the outstanding students of the school. Mr. Gainer hosted the evening and the various teachers handed out the awards which included Honours, Service, Fine Arts, Athletic and "Special Awards". The "surprise" awards added suspense and jubilation and ended a very enjoyable evening.

You would not believe how scared I am being up here - something like my first taste of High school! As Freshmen, a small group of us were savagely attacked by a mob of Grade 12 girls with whipping cream.

In the past years, Bonnie Doon has been noted for being very competitive in sports, but as we entered Grade 10, a slump in our school's attendance definitely hurt our sports program. In 1981, we failed to put a Junior Football Team together. In '82 we did not have a Senior team, but the Junior Team went to the City Finals and lost. In our Senior year we reconstructed the Football team, thanks largely to Mr. Seniuk and Constable Eastcott. We went to the City Finals once again and lost.

Our fans stood by us through thick and thin to watch our brave Lancers battle with the other High Schools. At this point I'd like to thank all SEVEN of you!

Volleyball is a big sport in Bonnie Doon. We had two Junior Girls' Teams which did quite well and a Senior Team that showed encouragement the upcoming year. There also two Junior Boys' teams and an awesome Senior who unfortunately didn't win the City Finals. The Senior Men's Volleyball Team of 1983 went undefeated in the regular season and brought home the Provincial Championship.

The Girls' Basketball Team started off strong in Grade 10 by going to the City Finals - but lost. The Boys' Junior Basketball Team of '83 won the City Championship and were followed by a great performance by the Senior Team that lost in the semi-finals.

The Girls' Soccer Team of '84 is doing a super job and are hoping for a trophy. In Grade 10, the Senior Boys' Soccer Team lost the championship by a narrow margin. In Grade 11, they lost in the semi-finals. This year we are hoping for a victorious team, and so far it's been promising.

Mothers often have a grave fear of letting their little boys go to High School. They are afraid that Mr. Heffel will one day get them. Yes, I'm talking about R U G B Y, the game where innocent young men became barbarians, and only the strong survive! My mother has not been to a game yet. In Grade 10, they came in second in the Premier Division. In Grade 11, the team was expected to win the City but choked in the semi-finals. After losing a great deal of size, the 1984 Rugby team played with a great deal of intensity and determination.

I'm sure all the students that Ski will agree with me that Bonnie Doon leads the way in Ski expeditions with the Ski Club and Phys. Ed. There are also a number of other clubs that fill the needs of the Bonnie Doon students.

Another major event that touched us all, was the crowning of our very own Grad president as Miss Teen Canada 1983. Thank you Lori, for putting Bonnie Doon on the map!

There is only one class that can teach us about ourselves, the people around us, - the latest gossip, who will be responsible for organizing the next party! Yes, my friends, you guessed it - Cafeteria 10-20-30, which many of us have passed with honours.

I'd like to close off with a big thanks to everyone that has made these past three years unforgettable. It's been a slice!

Jay Dobberthien - Class Historian

(Speech edited due to length.)

Good evening, honored guests, ladies and gentlemen and fellow Graduates. Thank you for being here this evening to share this special moment with us. After all the majority of you have been responsible for helping us to make it this far. To our teachers, I'd like to express thanks on behalf of the graduating class. During the past three years your endless patience and understanding has greatly contributed to our achievements. To our parents, this thank you extends much further, - you are the reason that we are what we are today. You have taught us to face the challenges of life and to come out victorious. This knowledge will be instilled in us always and for that and much, much, more, we thank you! To the Graduating class we've shared many moments of frustration and jubilation. We have leaned on each other and made it together. For all your help and for all the memories, past and future, I personally thank you.

When we speak of Graduation, we speak of achieving an end to many years of hard work. What we hold in our hands today is not merely a diploma, it is an education, a key. If used properly this key will open the doors to many opportunities and events. It now provides us with a chance to further our education and it is a prerequisite for many job opportunities. Many of us are apprehensive about what our future will hold for us. We are facing one of the many crossroads in our lives and perhaps for the first time we must make some major decisions on our own. We must learn to have faith and rely on our decisions. We are adults now. Our Graduation also represents a major emotional change in our lives. True, Graduating is a little frightening but is also encouraging to know that we have made it this far. Nothing can stop us now. There will always be difficulties and frustrations along the paths we choose but that is what adulthood represents, conquering and occasionally being conquered. I wish you all the best in your futures and may your dreams become reality. With this good-bye I'd like to share these words with you:

We have these moments,
Short but Rich
Rich in deep thoughts,
And special feelings.
But we cannot live in the past.
For Yesterday is gone
Today is here.
And tomorrow is yet to come.
Tomorrow, the future,
Holds sweet and bitter times
We can only grow and experience
So hold on to this day
Dream of tomorrow
And remember forever ...

Debbie Klatt - Valedictorian

Graduation is one of the most significant events of our high school years. This year's Grad Executive, guided by our wise advisor, worked hard to organize a memorable farewell for the Class of '84.

Sincere appreciation goes to all the students and staff members who helped to make our Graduation a success.

Shared Relationships

The evening of May 1st became a night of appreciation for all the mothers who attended the 1984 Annual Grad Tea.

The occasion was enhanced by our guest speaker Jo Green, as well as various toasts and speeches directed toward the relationships shared with mothers.

Following the speakers - tea and home baking was served by some of the male Graduands, and entertainment was provided by students of music and drama. A slide presentation of baby pictures was shown for the amusement of all who attended, and closed a very enjoyable evening.

"We've Only Just Begun"

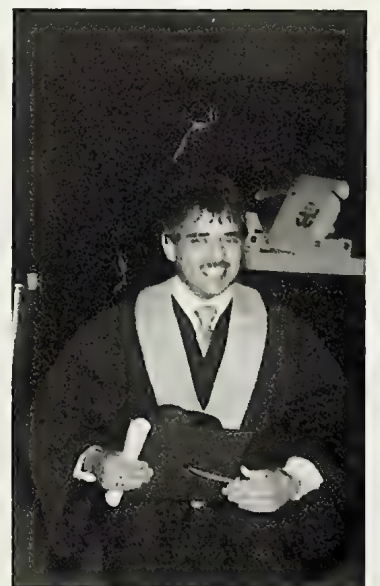

On June 8th, 1984, the Graduating Class of Bonnie Doon High School gathered at the Jubilee Auditorium for their Commencement Exercises. The evening began with a procession of the Class of '84 being led into the auditorium by bagpipe music provided by a member of the Edmonton Police Force. During the evening Mr. D. Bradford, Mr. G. Norby and guest speaker, Mr. B. Bagshaw offered their words of wisdom, advice and kind wishes. The Graduates were also entertained by the Class Historian Jay Dobberthien. The message given by the Valedictorian Debbie Klatt was very special.

The night was highlighted by Michelle Chyz singing this year's Grad Theme - "We've Only Just Begun."

This year's Graduates have truly only just begun their new lives and careers. Thanks was expressed to the parents, teachers, and friends. Special mentions were to Constable D. Eastcott, Ms. C. Olynyk and the Grad Executive for a fine job.

Good luck to the Graduates of '84.

A Special Night

Evening dresses and smart tuxedos highlighted the evening of Saturday June 9th 1984. This year's Graduating Class banquet and dance was held at the beautiful Westin Hotel where nearly 400 Graduates, parents and friends joined in the festivities.

After an exquisite meal - some toasts were made to the Graduates, parents and teachers. After one long week of waiting the Yearbook editors ended the suspense by revealing the winners of the annual "Grad Popularity Poll." After all the awards (and kisses) were given out the band "Footloose" began to play giving the Graduates the chance to let loose and dance the night away.

For most Graduates, the celebrating did not end at the end of the dance but continued through the night and into the next day, making the Grad weekend a memorable experience and a special night for all those involved in the Class of '84.

HOLLY AGATE: "Party 'til you drop." Holly remembers the beefests, drink-a-thons, cottage bashes, after-Grads, D.V.D., L.M., L.H., C.P. (Belmont), S.S. 20/30, "L.L.'s" the Rex, the Cap. She plans to do the same as above with the exception of Belmont.

GULNAR ALIBHAI: "Life is what you make it to be." Gulnar remembers Accounting 20, Social 20 and "eh-heh" with B.M. She plans to take Physiotherapy at the U of A.

CHARMAINE ANDERSON: "There is nothing to fear in life, except for fear itself." She remembers all the good times with K.M., the troubles of her first car and her good friends from Salisbury and Bonnie Doon. Charmaine plans to take either a Computing Science or Accounting course at NAIT.

RANDY ANDERSON: "One must work hard to achieve his or her goals." Randy will remember the friends he has made for years. He plans to make the best of himself.

LINDA ARNOLDUSSEN: "There's a known and unknown, a door separates the two. That's what I want to be, the door." Linda remembers drinking in the garbage with B.H., B.M. carcrash, Wabamum, H.H., L.D., "Gang". She plans to live in Australia and be a kangaroo!

GREG ASH: "Real-life has got to be better than this!" Greg's future plans include anything but more school! Hopefully becoming filthy rich and powerful.

LORI ASSHETON-SMITH: "The horizons of tomorrow lie in our dreams of today." Her memories are of drive-ins (the Honda), "Missions A&J", Cheerleading, TVT dance '82, Summer of '83, S.U., Grad. Exec., Hawaii '84 with B.H. (OKC) and great friends. Lori plans to attend Queen's University.

DENISE BADOREK: "You get out of life what you put into it." Denise remembers the German Exchange, Mr. Ulrich's German 10, 20, 30, L.L.'s, K.S.'s 16th, Mall 30, K.L. and the pool party '83. She plans to attend NAIT and become a Hairdresser and a Flight Attendant.

The "Crew"

This year for the Tam O'Shanter staff I'm sure has been quite an experience. After all those meetings requiring many aspirins, completing the Yearbook seemed a dream away. But now that it is finally finished I must admit that it was fun and I learned a lot. Many thanks to the "Crew" for all their dedication and hard work. Good luck next year.

The "Photographers"

The photographers this year did a great job of supplying the Yearbook with excellent pictures. We would like to thank them for all their efforts, and a special thanks to their sponsor Mr. F. Gainer. We would also like to thank Mr. H. Ross, Mr. S. Millman, Mr. D. Eastcott, Sanjeevan Sandhu, Stacey Murray and Gulnar Alibhai for their contributions.
